Highlights

Boil-ready bell

Bell rings when your water is ready

Pirouette 360° centre connector

Cordless 360° pirouette base for easy lifting and placing

Double action anti-scale filter

The Double Action filter works two ways: a scale collector attracts scale from the water, and the regular filter prevents the remaining particles from being poured into your drink.

Flat heating element

The stainless steel concealed element ensures fast boiling and easy cleaning.
